

Your first heliski day! Our program "My first heliski day", the perfect start up for those who want to try this fascinating way of skiing and snowboarding. Gressoney is still for many skier the end of the skiing world. However, for those how knows the area in the Valle d'Aosta, it is the gateway to paradise with every day new experiences and surprises. All this in one of the most beautiful mountain landscapes in the Alps. Our heliski area extends from the Matterhorn, crossing the Breithorn massif until the southeast side of Monte Rosa. With over 20 landing sites, more than 60 runs and the unique mountain scenery, the area is one of the most spectacular and varied heliski area of the Alps. In the Monte Rosa everybody will find independently of snow-, avalanche- and weather-conditions, the perfect terrain and unique experiences.

#### Why to Gressoney with Heli Guides:

Now for over 20 years, the team of HG and GM operates, we love skiing, riding and we have been working in this industry for decades, at first-class heli-skiing locations around the world. Gressoney our home base was long time ago the starting point of our story. We know what it takes to build an awesome heli-ski trip. Working exclusively with our Partners, Heli Guides and Guidemonterosa are able to provide tailor-made heli-skiing holidays, always maintaining our emphasis on flexibility and individuality. We focus on small groups in order to ensure high-end service. Our highly experienced IFMGA guides will select the best descents according to the snow conditions and your ability. Putting safety first, their goal is to help you fulfil your dreams and expectations.

#### Snow conditions:

Thanks to the altitude of the area and the frequent influence from the south the Monte Rosa massif can expected heavy snowfall all winter long. From December to mid-March you can find here mostly powder snow conditions. Till early May we can still ski in mostly perfect condtion.

#### Maximize your Heli-Skiing time with our small groups:

Small group's means less wait time between runs, so you can make the most of your time on the mountain. By using smaller, more agile helicopters, you can explore further and deeper into our majestic playground. We work with max. of four participants per mountain guide.

#### Hotel:

In Gressoney we can provide our guests a wide range of hotel categories from \* until \*\*\*\*. In order to enjoy your heliski-day fully we recommend traveling the day before to Gressoney and overnight there. We are happy to organize your accommodation in Gressoney please contact our office.
