

Road traffic changes in Valle d'Aosta scheduled for Saturday, 23 May, on the occasion of Stage 14 of the Giro d'Italia 2026

The Presidency of the Region informs that, on the occasion of **Stage 14 of the Giro d'Italia 2026 cycling race, scheduled for Saturday 23 May with departure from Aosta and arrival in Pila**, a phased temporary suspension of traffic has been ordered along the roads affected by the stage, starting from 2 hours 30 minutes before (in some sections, particularly mountain passes, from 3 hours before) the passage of the race and until the 'end-of-race' vehicle has passed, as shown in the **table**.

Furthermore, it should be noted that on Saturday 23 May 2026 the following **related events** will take place:

- **Giro E** - Stage 11 "Aymavilles - Pila": 3h00 before the race; a non-competitive cycling event with pedal-assist bicycles, starting from Aymavilles and joining the race route in the municipality of Villeneuve. Outside the suspension scheme, traffic will operate normally and in compliance with road regulations.
- **Pedalata Mediolanum** - Stage 11 "Aosta - Pila": departure from Aosta (Corso Battaglione Aosta) at 11:00 and arrival in Gressan - Pila at approx. 13:05; non-competitive event passing through Aymavilles, Gressan, Jovençon, Saint-Pierre, Sarre, Villeneuve. The event will take place under normal traffic conditions.

During the suspension period:

- all vehicles not part of the race are prohibited from circulating in both directions;
- drivers are prohibited from entering the race route;
- drivers approaching intersections must stop before entering and follow directions from authorities;
- pedestrians and vehicles are prohibited from crossing the road;
- parking and stopping are prohibited along both carriageways, with towing enforced.
